**1)** The dudes behind the music in *Sleepless in Seattle*, *The American President* and the upcoming movie version of *Hairspray* also know a thing or two about interior design. **Scott Wittman's** and **Marc Shaiman's** three-bedroom Chelsea apartment has been featured in *Elle Decor*, and now it can be featured in your portfolio, because it's [up for sale](#) for \$5.7 million. Seems a little high, but don't forget about the built-in plasmas, bar and sound-proof recording studio. Paging Lenny Kravitz. [[Braden Keil/Gimme Shelter](#)]
