The concept of a million-dollar deal might be hard to digest, but this split-bedroom Beaux Arts co-op with a large living room, exposures in three directions, partial river views and a location (West 72nd Street) within reach of all the neighborhood's attractions might just be more than you expect for (barely) less than seven figures. Agents: Sandi Schapiro and Peter Shevell, Fenwick Keats Goodstein, (212) 579-1224 and (646) 352-0408.
